

How Do I Use "My Pass"?

- **Log In** to your online account
- Select **My Pass**

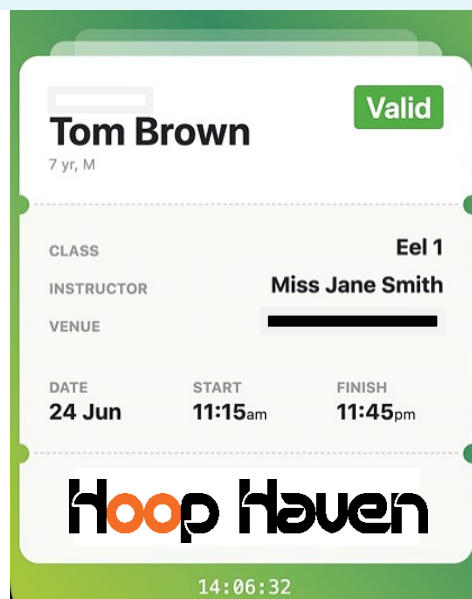

Here you're presented with a list of passes for your upcoming lessons in the next 7 days:

- Select the **lesson** you are attending

This will show the pass for the chosen lesson

Please Note: Passes only show as **Green** within 15 minutes of the lesson start time. If you arrive earlier and your pass shows as **Red** you may be asked to wait.

Show your **green** pass to coaches when you arrive.
